WEST BAY PLAY AREA

The West Bay Play Area has been designed to - well, the sign says it all.

It was created through a partnership between Bridport Town Council and local charity BYPAT (Bridport Young Persons Action Trust) and with widespread support from both within and beyond the Community.

An inclusive Play & Picnic area for all ages and abilities.

WEST BAY PLAY AREA

The West Bay Play Area has been designed and created for all ages and abilities to enjoy play alongside each other. The design is meant to challenge both adults and children, to put risk back into play and stimulate each individual's ability to play alone or with others in a safe environment. The Play area is just part of what West Bay has to offer as a destination. We believe that everyone should be able to engage in the fun and activities to boost confidence and self-esteem.

IMAGINARY PLAY: PIRATES

Join your family and friends in a game of pirates. Who can be the first to find the treasure? Climb high on the rope net pyramid, can you look out to sea and see any ships or boats that might be coming in? Quick back down, take a ride on the Liana Swing, hover over the sand, can you see any treasure? Take a ride on the roundabout, can you spot anything as you go around? Make your way to the sand pit, did you find the dinosaur treasure?

OBSTACLE COURSE

READY, STEADY, GO! Start at the Slide, climb up and a quick slide down, next the wooden slat bridge, then can you test your balance along the dragon swinger? Quick over the scramble net.. You're not quite finished yet, climb to the top of the Rope net pyramid, back down. FINISHED

SENSORY

Challenge yourself on the wire loop, keep a steady hand and get the loop from one end to the other.

Make a lovely tune/sing a song while playing the xylophone.

Have a look in the different mirrors, what can you see?
