

From Street to Sea ² Bridport Mass Litter Pick

Sunday 17th October

Bridport sadly has its fair share of litter. Our streets, green spaces, rivers and beaches are all spoilt by those who choose to discard rather than dispose of their litter in an environmentally friendly way.

On Sunday 17th October a mass litter pick is planned to cover Bridport's streets, rivers and beaches. Bridport Litter Free Street Champions, and West Bay Beach Clean Volunteers will be joined by kayakers to carry a whole town litter sweep.

The more people that get involved the more thorough we can be so please join the growing army of Litter Free Street Champions to show how much you love and care about the place we call home Bridport.

To join FROM STREET TO SEA ² mass litter pick e-mail:
